## event testimonials

**sweetgrassspa** has proudly hosted numerous private parties and corporate events for Sephora, CIBC, Olay, Scotia Capital, Rogers Corporate Industries, Deloitte and Women in Capital Markets, to name a few.

*"I thank you and your team for the fabulous effort in making our annual spa event special for our customers. The event was clearly a hit given that some customers said that in contract renewal negotiations they want a clause that states that the SPA event is a must!"*

– Catherine Cashmore; Rogers Corporate Industries

*"The group had great fun and really enjoyed themselves. All were full of praise for the quality of the services provided, the cocktails served, the professionalism of the spa staff, and the fun atmosphere the **sweetgrass** team provided and fostered. You already count one of my guests as a regular client and judging from the number of cards picked up, price lists taken, and questions asked; she will not be the last. Thank you again for making me look good last night in every sense of the phrase."*

– Stephanie Copp; Verity Member
